### Product Description

This jack cable by Delock serves as an extension of a 3.5 mm or 6.35 mm jack connection. The included jack adapter can be screwed onto the 3.5 mm plug and thus ensures a stable connection. The cable is therefore also suitable for connecting audio devices with a 6.35 mm interface. Special cable sheath The outer TPU material of the cable sheath makes the cable significantly more flexible and resilient in handling. Coiled cable The coiled cable is easy to stow away and, unlike conventional cables, takes up less space.

Specification- Connections: 1 x 3.5 mm 3-pin jack plug > 1 x 3.5 mm 3-pin jack socket- Screw adapter 6.35 mm jack plug to 3.5 mm jack socket- Screw connection: M8 x 0.75- Cable type: coiled cable- Wire cross-section: 28 AWG- Connectors with gold plating- Connectors with metal housing- Colour: black- Length incl. connections: approx. 3 m (\*length refers to the cable material used) - One free 3.5 mm or 6.35 mm jack socket- Pack contents Connectors included: approx. 3 m (\*length refers to the cable material used)System requirements- One free 3.5 mm or 6.35 mm jack socket- Package contents- Jack cable- Screw adapter
