Product Description

This smartwatch holder from Delock not only impresses with its design, but also with its stability and function. Thanks to the adjustable angle, the mount can be placed in any position and remains stable. The rubber pads attached to the underside and the mount ensure that neither the smartwatch nor the mount slips. In addition, the rubberised underside of the mount ensures that the surface of the smartwatch is not scratched. Magnetic charging cable holder The mount has a cable guide on the back that allows the charging cable to sit perfectly. The smartwatch can simply be placed on it and charged. Note Accessories for smartwatches from e.g. Apple - series from 38 mm to 44 mm
