### Product Description

This 2 in 1 smartphone and smartwatch holder by Delock not only impresses with its design, which holds the smartphone on one side while the smartwatch can be attached on the other, but also with its stability and function. Thanks to the adjustable angle, the holder can be placed in any position and remains stable. The rubber pads attached to the underside and in the holder ensure that neither the devices nor the holder slip. Magnetic charging cable holder The holder has a cable guide on the back, which allows the charging cable to sit optimally. The smartwatch can simply be placed on top and charged. Space-saving As the holder is completely foldable, it fits perfectly in your bag, rucksack or suitcase and is ideal for travelling.
