from **23,09 EUR**

Item no.: 367331  
shipping weight: 0.30 kg  
Manufacturer: Delock

### Product Description

This DisplayPort cable is used to connect DisplayPort devices such as monitors or TV sets to your PC. The DisplayPort is a universal connection standard for the transmission of image and sound signals standardised by VESA. Areas of application are essentially the connection of screens and televisions to computers, DVD players and similar devices. Thanks to the lack of a snap-in function, the plugs are somewhat slimmer than ordinary DisplayPort plugs, so several connections can be used at the same time to save space. In addition, the plugs can be pulled off more easily from hard-to-reach DisplayPort sockets, e.g. on the back of a monitor.

Connectors:

- 1 x DisplayPort plug >
- 1 x DisplayPort plug angled

Caution. Not suitable for children under 36 months.

Specification:

- DisplayPort 1.2 Specification
- Pin 20 is not connected
- Wire gauge: 30 AWG
- Cable diameter: approx. 5.7 mm
- Copper wire
- Triple shielded cable
- Contacts gold plated
- Transmission of audio and video signals
- Data transfer rate up to 21.6 Gbps
- Resolution up to 3840 x 2160 @ 60 Hz
- (depending on system and connected hardware)
- Supports HDCP 1.3
- Colour: black
- Length incl. connections: approx. 5 m

System requirements:

- One free DisplayPort interface
