from **10,96 EUR**

Item no.: 373079
shipping weight: 0.10 kg
Manufacturer: Delock

1 m

Product Description

This jack cable by Delock can be used to connect various audio devices with a 3.5 mm or 6.35 mm jack socket. The included jack adapters can be screwed onto the 3.5 mm plug to ensure a stable connection. The cable is therefore also suitable for connecting audio devices with a 6.35 mm interface. The outer TPU material of the cable sheath makes the cable significantly more flexible and more resilient in handling.
