from **2,86 EUR**

Item no.: 372558  
shipping weight: 0.10 kg  
Manufacturer: Delock

### Product Description

This jack cable by Delock is compatible with the iPhone, iPad and iPod thanks to its 4-pin connection. This means that a mobile device can be connected to a home system or car radio, for example. The jack plug is angled so that the cable can also be connected in places that are difficult to access. Thanks to the additional gold ring at the end of the plug, this jack cable can be easily connected to devices that are fitted with a protective cover.
