### Product Description

This 3 in 1 charging cable by Delock is used to charge various devices, such as tablets or smartphones with Lightning™, Micro USB-B or USB Type-C™ connection via a USB power source. Practical companion The cable is the ideal companion for travelling, e.g. on business trips or on holiday, as it combines the three most common connections for current mobile devices in a single cable. This avoids annoying cable clutter and unnecessary carrying around of countless cables. Quality and performance The cable is very hard-wearing and durable thanks to its robust textile sheathing, strong strain relief and metal housing at all cable ends. The high wire cross-section of 22 AWG also supports a stable power supply of up to 3 A.
