18366 - Device stand for 6 tablets or smartphones black

from **7,61 EUR**

Item no.: 373332
shipping weight: 0.10 kg
Manufacturer: Delock

Product Description

This stand by Delock offers an excellent opportunity to set up to 6 different devices, e.g. tablets or smartphones, at the same time and serves as a practical storage space when charging. High stability Non-slip pads on the underside ensure that the stand does not slip and remains securely in position. Adjustable dividers By moving the dividers, the distance between the dividers can be individually adjusted to accommodate devices of different sizes. Versatile The stand can be used in restaurants, bars, hotels, offices or at home, for example.
