### Product Description

With this notebook lock from Navilock, various devices such as notebooks, projectors, monitors etc. can be secured at any location. The 1.8 m long steel cable with key lock can be easily tied around objects such as a table leg, chair or similar and thus secures the device against theft. HP Nano Slot compatible This notebook lock is compatible with the so-called HP Nano Slot. The HP Nano Slot is the 2.5 x 6.0 mm opening on the housing. On many devices, this opening is labelled with a lock symbol. Locking the lock without a key The special mechanism of the laptop lock makes it possible to lock the lock without a key. The appropriate key is only required to unlock the lock.
