from **17,77 EUR**

Item no.: 373378  
shipping weight: 0.10 kg  
Manufacturer: Navilock

### Product Description

With this notebook lock from Navilock, various devices such as notebooks, projectors, monitors etc. can be secured at any location. The 1.5 m long carbon steel cable with the key lock can be easily tied around objects such as a table leg, chair or similar, thus securing the device against theft. The 180° swivelling joint makes it easy to attach the lock. Nano Slot compatible This notebook lock is compatible with the so-called Nano Slot and is therefore suitable for many particularly light and slim ultrabooks. The nano slot is the 2.5 x 6.0 mm opening on the housing. On many devices, this opening is marked with a lock symbol. Carbon steel The carbon steel cable is characterised by a particularly high level of cut and theft protection and, at just 104 grams and a length of 1.5 m, offers optimum freedom of movement. Note This security cable is compatible with the series: HP Chromebook, Elite, Elitebook, Envy, Omen, Pavilion, ProBook, Pro, ZBook, as well as the Lenovo Thinkpad X12 Detachable Tablet and Asus ExpertBook B9 B9450, ROG Zephyrus GA401 and ROG Zephyrus G GA502 (2019).
