### Product Description

With this notebook lock from Navilock, various devices such as notebooks, projectors, monitors etc. can be secured at any location. The 1.8 m long steel cable with key lock can be easily tied around objects such as a table leg, chair or similar and thus secures the device against theft. Noble Wedge and HP Elite X2 compatible This notebook lock is compatible with Noble Wedge and HP Elite X2. Noble Wedge is the 3.2 x 4.5 mm opening on the housing, on the HP Elite X2 this opening is 3.8 x 6.0 mm. On many devices, this opening is labelled with a lock symbol. Locking the lock without a key The special mechanism of the laptop lock makes it possible to lock the lock without a key. The matching key is only required to unlock the lock.
