from **4,35 EUR**

Item no.: 373177
shipping weight: 0.10 kg
Manufacturer: Delock

Product Description

This jack cable by Delock with its 4-pin connection according to CTIA standard serves as an extension of the 3.5 mm jack connection. This means that the cable can be used, for example, when connecting headphones to a mobile device. In addition, the microphone function of the headset is still supported. Visually, it impresses with its fine textile sheathing. Thanks to the additional gold ring at the end of the plug, this jack cable can be easily connected to devices that are fitted with a protective cover.
