

Item no.: 372208

88031 - Cable holder for under-sink mounting, black, set of 2

30,54 EUR

Item no.: 372208
shipping weight: 1.80 kg
Manufacturer: Delock

Product Description

This cable holder by Delock is suitable for bundling and concealing exposed cables under the desk. The cables are also protected from dirt and damage. The holder is simply attached under the desk and all cables and power strips from the floor are neatly and safely stowed away. The desk is freed from any cable clutter and leaves a clean overall impression. The cable guide offers plenty of space to accommodate various cables such as HDMI cables, audio cables or power cables.
