from **29,58 EUR**

Item no.: 373435
shipping weight: 0.20 kg
Manufacturer: Delock

Product Description

With this slot bracket you can lead the internal ports to the outside in order to connect devices to the external eSATApd ports. The eSATApd port has a power supply of 5 V or 12 V, so that you can also connect 2.5" and 3.5" hard drives to this interface with the help of special Delock products such as eSATApd cables or docking stations.
