Item no.: 373689

88015 - Industrial Gigabit Ethernet Switch 4 Port RJ45 2 Port SFP for top-hat rail

from **136,04 EUR**

Item no.: 373689
shipping weight: 0.40 kg
Manufacturer: Delock

📄 Product Description

With this robust, industrial Gigabit Ethernet switch by Delock, various network components can be connected.Two SFP uplink ports with 1 Gbps offer flexible connection options.Redundant power supply with 9 V to 48 VThe switch can be connected to two power sources, so that it can be permanently connected to several power sources, which enables applications that require high availability.

Specification- Connectors:4 x RJ45 socket for 10/100/1000 Mbps Base-T2 x SFP slot for 1 Gbps SFP module1 x 5 pin terminal power connector- Data transfer rate up to 1 Gbps- Supports IEEE 802.3 / 802.3u / 802.3z / 802.3ab- VLAN port isolation- LEDs for status control- Redundant power supply with 9 V to 48 V- Power consumption: max. 6 W- Robust metal housing- Fanless- Suitable for 35 mm top-hat rail- Protection class: IP40- Operating temperature: -40 °C ~ 85 °C- Dimensions (LxWxH): approx. 116 x 85 x 33 mmSystem requirements- Power supply unit with DC 9 V - 48 V (not included)Package contents- Switch- Operating instructionsPackaging- White box
