Product Description

Kingston's MobileLite Duo 3C microSD card reader is ideal for devices with limited USB Type-C ports and notebooks that use USB Type-A. A versatile device in a small metal body to fit comfortably in pockets, handbags and backpacks - ideal for both professional and personal use. Transfer speeds of up to 10MB/s ensure you can download files and photos faster via the USB Type-C port. The MobileLite Duo 3C saves time when transferring videos, photos and other large format files thanks to its incredible performance. It is backwards compatible with USB 2.0, so users can upgrade to USB 3.0 in the future without changing card readers.
