from **1,16 EUR**

Item no.: 372260
shipping weight: 0.10 kg
Manufacturer: Delock

📄 Product Description

This Easy 45 module by Delock provides a keystone holder. The standardised dimensions allow easy snap-in mounting of a Keystone module. Thanks to the simple snap-in mechanism, the module sits firmly in place and can be easily removed if necessary.The Easy 45 Keystone holder is available in six different colours. This makes it possible to colour code and differentiate between different networks or applications.Easy 45 is a variable, modular system that allows components such as sockets, HDMI or USB connections to be combined according to individual requirements. The Easy 45 modules are standardised and can be installed in various module supports or trunking. Easy 45 forms the interface between electrical, network and system installations and numerous peripheral devices, such as TVs, monitors, printers, notebooks and many more.
