Product Description

This Easy 45 module by Delock provides a DisplayPort socket. Thanks to the simple snap-in mechanism, the module sits firmly in place and can be easily removed if required. Easy 45 is a variable, modular system that allows you to combine components such as sockets, HDMI or USB connections according to your own requirements. The Easy 45 modules are standardised and can be installed in various module supports or trunking. Easy 45 forms the interface between electrical, network and system installations and many peripheral devices such as TVs, monitors, printers, notebooks and much more.
