66597 - D-Sub 25 socket with insulation displacement connector 2 pieces

from **1,33 EUR**

Item no.: 372728
shipping weight: 0.10 kg
Manufacturer: Delock

Product Description

This D-Sub 25 female connector with insulation displacement connector by Delock is suitable for mounting ribbon cables with 25 pins and a pitch of 1.27 mm. The D-Sub connectors for ribbon cables are often used e.g. in industry, telecommunications, but also in the hobby sector. Note: We recommend using the Delock tool pliers 86469 to press the ribbon cable into the insulation displacement connector.
