

Item no.: 372904

90604 - Trigger module for built-in scanner 90604

from **12,01 EUR**

Item no.: 372904
shipping weight: 0.10 kg
Manufacturer: Delock

Product Description

This circuit board by Delock is the matching accessory for the Delock scanner module 90603. A suitable module (e.g. 90603) with an FPC 12 pin connector is required for the test board. The test board itself is then connected to the system via USB cable. The pushbutton serves as a trigger for the scanner module and initiates a scan. Note: The test board is not intended for installation. Specification- Connectors: 1 x FPC 12 pin socket, 1 x USB 2.0 type A socket- Pushbutton- LED indicator for power- Dimensions (LxWxH): approx. 65 x 45 x 11 mm System requirements- Suitable FPC cable- Suitable USB type A cable- Suitable scanner module, e.g. 90603 Package contents- Test board
