from **26,33 EUR**

Item no.: 382894
shipping weight: 0.10 kg
Manufacturer: Delock

Product Description

This socket outlet with earthing contact by Delock is designed for installation in a standard flush-mounted or cavity box. In addition to a CEE 7/3 socket outlet with child safety lock, this socket outlet with earthing contact offers two USB charging ports. With the two USB type-A and USB type-C™ charging ports, this socket outlet is also equipped for the future. This means that smartphones, tablets and similar devices can be charged while the socket is still available. Supports fast charging technologies Common fast charging technologies, such as Power Delivery (PD) 3.0, are supported. This makes the charging process as safe and fast as possible. Different voltages of 5 V, 9 V or 12 V with up to 18 W power are available at the two charging ports. Compatible with many switch ranges The socket outlet is compatible with switch ranges with 55 x 55 mm frame/window sizes. These include the switch ranges of well-known manufacturers such as Gira, JUNG, Busch-Jaeger or Merten.

Specification- Connections: 1 x CEE 7/3 socket outlet with childproof lock 1 x USB Type-A charging port 1 x USB Type-C™ charging port 3 x spring terminals for PE, N, L up to 2.5 mm²- Rated current: 16.0 A / 250 V-- Rated power: 4000.0 W- USB charger:- Input: AC 250 V / 50 Hz / 0.2 A- USB output: 5.0 V / 3.0 A; 9.0 V / 2.0 A; 12.0 V / 1.5 A- Output power: max. 18.0 W total- Average efficiency during operation 82.91 %- Efficiency at low load (10 %) 78.09 %- Power consumption at no load 0.095 W- Short-circuit protection- Suitable for switch ranges with 55 x 55 mm frame/window size- Installation depth: 30 mm- Suitable for standard installation box- Claw and screw fastening- Flame-retardant plastic housing (UL 94 V-0)- Dimensions (LxWxH): approx. 80 x 80 x 44 mm- Colour: white System requirements- Mains cable with protective earth- One free installation box Package contents- Built-in socket- Operating instructions Packaging- Retail box
