ZIPECLAMP - Amper Meter Clamp 35A

from **24,26 EUR**

Item no.: 327366
shipping weight: 0.20 kg
Manufacturer: Zipato

Product Description

Zipato - Amper Meter Clamp 35A

The Amper meter clamp 35A is used for efficiency monitoring and automation applications. This includes submetering cost allocation, dynamic energy consumption and peak load analysis. The Amper meter clamp 35A is simple to use, and is easy to install for metering purposes. It is ideal for distributed measurement systems and can be retrofitted into existing installations and noninterruptible equipment as there is no requirement for disconnection and reconnection of wiring. We recommend that you use it as an extension to the Zipabox Power expansion module, where it can seamlessly blend into a variety of Zipato energy efficiency automation scenarios.

- Package Dimensions (WxHxL): 57 x 66 x 55 mm
- Article gross weight: 0.113 Kg
- WEEE
- CE
