Product Description

Smart Color Button

Philio Smart Color Button is a real multi-talent. Use it as a remote control or switch your devices on and off. Turning right or left changes room temperature, drives shutters up and down or dims the light. The smart button gives a feedback to the last action with its colored LED ring.

Stick your Smart Color Button to the fridge or a radiator. Its back side is magnetic and sticks on metallic surfaces.

Features:

- Multi-functional switch and dimmer in one device
- Slim and compact design
- Colorful LED gives feedback regarding dimming value or adjusted temperature
- Magnetic back side
- Removable from wall bracket
- Waterproof
- Wireless Technology: Z-Wave Plus
- Dimensions: 71 x 71 x 17 mm
