shipping weight: 0.10 kg

Manufacturer: Raspberry Pi Foundation

Product Description

The official Raspberry Pi Zero & Zero Wireless Case is now available! Specially made and available in the usual red & white colours, this is a nifty and sturdy snap-together case to protect your Raspberry Pi Zero! The Pi Zero Case comes with three interchangeable lids, each for a different function:- Raspberry Pi camera lens holder - lid with extra short 35mm RPi Zero camera cable- GPIO access lid, with GPIO opening - ideal for the hacker / maker!- Closed lid, for those who want a fully enclosed Zero board. Details of official Raspberry Pi Zero Red & White case:- Raspberry Pi typical red / white colour combination- 2-piece "snap-fit" case, with 3 separate lids (GPIO/camera/closed)- bottom side with GPIO access-cut-outs for all connectors- no direct SD card access (keeps the card protected!) - 4x rubber grommets, with GPIO opening.- 4x rubber feet for slip and stability
