Product Description

MC-877 - VESA Screen/TV Mount, super slim, 23-55", black, 50 kg

Dedicated to LG OLED TVs! The Maclean wall mount is used for mounting QLED/LCD/LED/OLED televisions, plasma screens and monitors of various brands weighing up to 40 kg with a screen size from 23" to 55". Suitable for all brands with VESA standard hole spacing: 200x200/300x200/300x300/400x200/400x300/400x400 mm.

The distance to the wall for this bracket is only 33 mm. This allows you to achieve the "image" effect and saves valuable space.

Mounting the holder is very easy thanks to the built-in spirit level, a complete set of screws and dowels and a clear instruction manual.

The TV is automatically attached to the wall mount thanks to the automatic locking system.

To remove the TV, simply unlock the mechanism and lift it up.
