Item no.: 376756
MCE20 -

from **4,38 EUR**

Item no.: 376756
shipping weight: 0.20 kg
Manufacturer: Maclean Brackets

📄 Product Description

High-quality built-in ceiling motion and twilight sensor.With our sensor, you save on your electricity bill because the lighting is only switched on when you need it! Detection angle: 360° !!!New generation - the infrared sensor has high stability, a beautiful and practical design, a large operating voltage range, easy installation and a large detection area. Automatic detection of day and night light. SMT technology used, compatible with European standards. It is designed for automatic lighting control in homes, hotels, offices, stairwells, corridors, basements, toilets, etc.Motion detector for installation in suspended ceilings (e.g. halogen lights). Made of plastic. The radius of motion detection is max. 6m, with a detection angle of 360°. The sensor has an adjustable light duration and the option of setting the ambient brightness at which the device operates.Complete instructions for use in Polish included.

Technical data- Operating voltage: 220-240V AC / 50 Hz- Detection angle: 360°- Light sensitivity setting: 3-2000 LUX- Detection range: max. 6 m (<24 °C)- Motion detection speed: 0.6 ~ 1.5 m/s- Maximum load: 1200W (300W inductive load)- Operating temperature: -20 ~ +40 °C- Operating humidity: <93 ? RH- Mounting height: 2.2m ~ 4.0m- Protection class: IP20- Sensor works seamlessly with LED lamps- Lighting time setting:- 10sec ± 3sec (min.)- 7min ± 2min (max)- Power consumption:- 0.45W (operating mode)- 0.1W (sleep mode)- Dimensions:- Mounting hole diameter: 60mm- Lens cover diameter: 75mm- Depth: 58mmThe set includes- Maclean Energy MCE20 1200W recessed ceiling-mounted motion detector with 6m range- Original packaging- User manual EN- Proof of purchaseFeatures- Motion detection range: max. 6m radius- Maximum load: 1200W- Voltage: 230V- Maximum horizontal motion detection angle: 360°- Adjustable light duration: from 10s to 7min- Adjustable ambient light intensity at which the device operates- Protection class: IP20
