🗎 Product Description

XQ+DA0001 - QSFP28 100G direct attach cable, 1 m
Connect any two MikroTik 100 Gigabit heroes (CCR2216 & CRS504) without a hassle - this cable has integrated QSFP28 modules. Just plug it in and enjoy the speed! The cable is one meter long, which should be enough for most setups, but there is also a 3-meter version available. It is fairly flexible – you can keep your devices apart or on top of each other.
