MCTV-916 -

from **1,05 EUR**

Item no.: 382150
shipping weight: 0.70 kg
Manufacturer: Maclean Brackets

Product Description

F plug made of nickel-plated metal. Corrosion-resistant and can therefore be used both indoors and outdoors. The corrosion resistance significantly extends the service life without the need for cleaning and maintenance. It also reduces connection attenuation. Installation is very simple and guarantees a correct and stable connection over a long period of time. A properly installed connector is virtually impossible to remove.
