29,70 EUR

Item no.: SC-2403-2013-2802
shipping weight: 0.20 kg
Manufacturer: Delock

Product Description

The PCI Express riser card from Delock enables the connection of two PCI cards via one PCI Express connector. The flexible cable enables a space-saving installation in the computer case.

Note: The scope of delivery includes a USB 3.0 riser cable with a length of 60 cm. No USB signals are transmitted via this cable, therefore it is not possible to exchange it for another or a longer cable.

- Connectors: Mainboard side: 1x PCI Express x1, 1x SuperSpeed USB (USB 3.2 Gen 1) Type-A socket; Riser side: 2x 32-bit PCI, 1x SuperSpeed USB (USB 3.2 Gen 1) Type-A socket, 1x SATA power connector
- Chipset: Asmedia ASM1083
- Bootable
- 1x jumper for 5 V or 3.3 V setting
- 4x mounting holes on the riser card
- Cable data: 1x riser cable USB 3.0 type-A male to male approx. 60 cm (incl. connectors)
