shipping weight: 0.30 kg  
Manufacturer: TP-LINK

### Product Description

TP-Link HA100 - Bluetooth Music Receiver

HA100 is a complement to traditional home stereo systems. This portable form will not look out of place, even placed it next to or on top of the most modern stereos or speakers. Connect up to 8 different devices

The receiver will store information for up to 8 different devices, making it easy for you to connect your friends' or family members' devices and enjoy their music. Long-range wireless No need to get up! Relax in your favorite chair and control your music with a reliable connection of up to 20 meters (66 feet) away from your speakers. Brings speed and reliability Bluetooth 4.1 technology increases the speed and reliability of data transfer between devices to Hi-Fi or speaker system wirelessly. Key features:

- Stream music wirelessly from your smartphone/tablet to any stereo/stand-alone speaker via Bluetooth
- Connect with your Bluetooth or NFC-enabled device, using the HA100 or NFC Tag
- Connects to any stereo supporting 3.5 mm or RCA jacks
- Transmits up to 20 meters (66 feet) away, within direct line of sight
- Bluetooth 4.1, compatible with all A2DP stereo Bluetooth devices
