TAPO T100 - Smart Motion Sensor

from **17,82 EUR**

Item no.: 374941
shipping weight: 0.10 kg
Manufacturer: TP-LINK

Product Description

The T100 intelligent motion sensor is used to detect movement at an angle of up to 120° at a maximum distance of 7 metres and is part of the Tapo smart home family. Powered by a long-life CR2450 battery, the sensor communicates wirelessly via the 868/922 MHz frequency with the control panel required for the sensor to function. For easy, tool-free installation on any flat surface, double-sided 3M adhesive tape or the supplied magnet on the back of the sensor is used.

Power supply- Power type: Battery Physical properties- LED display: Yes- Operating temperature (°C): 0 to 40- Width (mm): 42- Height (mm): 42- Depth (mm): 34
