

Item no.: 384796

U-LTE-BACKUP PRO-EU - UniFi LTE backup Internet device external SIM card support

from **318,94 EUR**

Item no.: 384796
shipping weight: 0.40 kg
Manufacturer: Ubiquiti

Product Description

Seamless internet failover for UniFi Gateways. Bring your own SIM for LTE data. Details- Requires a UniFi Cloud Gateway or UniFi Gateway- Bring your own nano-SIM for LTE data- Flexible mounting- (1) GbE PoE port*- Powered using PoE- RP-SMA connector for optional external antenna- 1.54" status displayMechanical- Dimensions: 66 x 202 x 32 mm (2.6 x 8 x 1.3")- Weight Without mount: 223 g (7.9 oz)- With mount: 336 g (11.9 oz)- Enclosure material: Polycarbonate- Mount material Stand: aluminum- Wall mount: polycarbonateHardware- Processor: 74 Kc MIPS processor at 775 MHz- Memory: 128 MB DDR2- Management interface: Ethernet- Networking interface: (2) GbE RJ45 ports / LTE Category 4 radio- SIM: nano-SIM- LTE bands: Bands 1, 3, 7, 8, 20, 28- Power method: PoE+- Passive PoE, 48V- Power Supply: UniFi PoE switch / 48V, 0.5A PoE adapter- Supported voltage range: 44—57V DC- Max. power consumption: 8.5W- Max. TX power: 19 dBm- MIMO: 2 x 2 LTE Category 4- Throughput speeds Download: 150 Mbps / Upload 50 Mbps *- LCM: display 1.54" screen- Button: Factory reset- Mounting: Wall mount or foot stand (Included)- ESD/EMP protection Air/Contact: ± 24 kV- Ambient operating temperature: -10 to 60° C (-14 to 140° F)- Ambient operating humidity: 5 to 95% noncondensing- Certifications: CESoftware- Management application UniFi Network: Version 6.5.55 and later* Speed and coverage depend on location and network performance.
