Product Description

YHS36 Dual - Wideband Headset for Yealink IP Phones

Yealink YHS36 is the over-the-head style headset which is made for office workers, SOHO, or call center staff. It supports the QD (Quick Disconnect) feature and is compliant with the full range of Yealink enterprise IP phones. The Yealink YHS36, available in monaural (YHS36 Mono) and binaural (YHS36 Dual), is a professional analog wired headset to facilitate the conversations in ways that your concentration zone and focus is easily got in and the listening fatigue is reduced as well. Its ergonomic design and soft leather ear cushions make YHS36 comfortable enough for long all-day use.
