Product Description

WH66 Mono Teams - Industry-Leading Wireless DECT Headset

The Yealink WH66 is the industry-leading DECT wireless headset, available as WH66 Dual and WH66 Mono, opening an entirely new form of desktop collaboration. It works seamlessly with major UC platforms and integrates natively with Yealink IP phones. The 4.0 inch (480 x 800) capacitive touch screen of the base offers a new work experience, just one touch, all control. It acts as a workstation, managing phone calls, connecting with multiple devices (desk phone/mobile phone/computer), charging mobile phones wirelessly, and even playing a speakerphone's role. Best of all, deploying such a multifunctional workstation only needs plugging directly. Easiest things to do, greatest convenience to enjoy.

Certified for Microsoft Teams.
