TP-Link UB5A Bluetooth 5.0 Nano USB Adapter

from **11,53 EUR**

Item no.: 356482
shipping weight: 0.10 kg
Manufacturer: TP-LINK

Product Description

Bluetooth 5.0: Faster speeds, longer range UB5A equips your PC with the more advanced Bluetooth 5.0 technology, which offers consistent improvements over older versions. It enables faster connection speeds and greater range than Bluetooth 4.0 technology, ensuring a strong and stable wireless connection between your PC and Bluetooth devices. Users also benefit from energy savings and greater transmission capacity. Play music from across the room Thanks to the improvements to Bluetooth, the UB5A has a greater transmission range between devices such as your music player and PC. Thanks to the longer transmission range, you can enjoy lossless sound through your Bluetooth headset without having to be near your computer. Now you no longer have to worry about your music enjoyment being affected by distance. Connect to your computer via Bluetooth UB5A makes non-Bluetooth-enabled PCs and laptops Bluetooth-enabled. Simply connect your Bluetooth devices to your computer and enjoy them with ease. It supports up to 7 Bluetooth devices at once with a powerful wireless connection. You can transfer files, music and videos between your Bluetooth devices and your PC at a 2x faster transfer speed. Nano size - plug it in and forget it! Thanks to its slim, ultra-small design, you can plug the nano adapter into any USB port and keep it there easily - whether you're travelling or at home.
