

Item no.: NBM3

NBM3 - NanoBridge M3, SET with Dish NB-OD3

from **154,15 EUR**

Item no.: NBM3
shipping weight: 2.40 kg
Manufacturer: Ubiquiti

Product Description

NBM3 - NanoBridge M3, SET with Dish NB-OD3 Offers a ground-breaking price/performance ratio. Higher antenna gain and therefore even more cost-effective. Compact and robust product design. The design offers full performance in all weather conditions. Activity and signal strength LEDs simplify installation. Advanced RF and ESD protection enable use in the harshest weather in any environment. Groundbreaking Wi-Fi performance, AirMax and AirControl support. 150+ Mbps real-world outdoor data throughput and up to 20+ km range. NanoBridge M products utilise the revolutionary AirMax(TM) TDMA protocol that provides scalable carrier class PtMP network performance. In addition, the AirControl(TM) application allows administrators to centrally control hundreds of devices. - Processor: Atheros MIPS 24KC, 400 MHz- Memory: 32 MB SDRAM, 8 MB Flash- Network interface: 2x 10/100 BASE-TX (Cat. 5, RJ45) LAN interfaces- RoHS-compliant: Yes- Weight: 900 g (without dish)- Housing properties: UV-resistant plastic suitable for outdoor use- Mounting: Pole mount kit included- Max. Power consumption: 8 watts- Power supply: 24 V PoE adapter included (POE-24)- Power supply method: Passive Power over Ethernet (4.5 +; 7.8 -)- Operating temperature: -30°C to 75°C- Humidity: 5 - 95 % condensing- Shocks and vibrations: ETSI300-019-1.4- Antenna gain: 21.5 - 22.5 dBi- Frequency range: 3650 - 3675 MHz
