Product Description

Remote Control – Instantly turn connected devices on/off wherever you are through the Tapo app. **Away Mode** – Away Mode will automatically turn your connected devices, like lights, on and off randomly, to make it appear as if you're home. **Local Control** - Your connected devices at home remain accessible via the Tapo app or any other Matter-certified app (already configured), even if you lose connection to the internet. **Flame-Retardant*** - PC flame-retardant materials help minimize burning hazards. Features *Made with V-0 (UL94) flame-retardant materials. **Easy Setup and Use** - Use Bluetooth to easily onboard the smart plug within a few steps. With Matter support, Tapo P100M allows users to scan the included Matter code for frustration-free setup. **Schedule** – Preset a schedule to automatically manage devices. **Timer** - Create a countdown timer for connected electronics. **Voice Control** – Manage your smart socket with voice commands via Amazon Alexa or the Google Assistant. **Compact Design** - Mini-sized to avoid blocking adjacent sockets. **Device Sharing** - Easily share management permissions with each member of your family. **Remote Control from Anywhere** Instantly turn connected devices on/off wherever you are via the Tapo app. Designed to facilitate your life and help eliminate potential safety hazards. With Matter support, using one-app to control all smart devices is no longer a fantasy. Integrate P110M into your favorite ecosystems to create a unified smart home.
