

Item no.: 389255

AZS520G - 5-way splitter cast iron - Nevo AD: 20 dB

from **70,18 EUR**

Item no.: 389255
shipping weight: 0.10 kg
Manufacturer: Televes

Product Description

NevoSwitch splitter with 5 inputs (1 x terrestrial and 4 x SAT), with 20 dB splitter attenuation, for signal distribution and level adjustment at each connection. Highlights- Extremely compact design for space-saving installation- High decoupling- Low feed-through attenuation Features- Very compact- Cast housing developed and manufactured by Televes- Inputs and loop-through outputs are available as standard. Inputs and loop-through outputs colour-coded- Passive component requires no power supply Specification- Number of inputs 5- Number of cascade outputs 5- Number of subscriber outputs 5- Frequency range TERR. MHz 47 ... 862- Frequency range SAT. MHz 950 ... 2400- Pass-through attenuation TERR. dB 1.5- Pass-through attenuation SAT. dB 1.5- Subscriber attenuation TERR. dB 20- Subscriber attenuation SAT. dB 21- Decoupling H/V dB > 25- TN decoupling dB > 25- DC pass-through On./Off. / Off./On./Off.- Connectors "F" connection Connectors "F" connection- Operating temperature °C -5 ... 45- Protection index (IP) 20
