

Item no.: 389634

AIW1N - Coax stripping tool

from **33,46 EUR**

Item no.: 389634
shipping weight: 0.10 kg
Manufacturer: Televes

Product Description

Compact cable stripper with two separately arranged blades: The first is used to cut the sheath and the second to cut the dielectric. A coaxial cable or data cable is thus stripped in two simple steps. Suitable for all cable types (up to 7.5 mm diameter), for both PVC and PE sheaths. Supplied in individual packaging.
