Product Description

MC-739 - Professional Stand/Trolley with Wheels for TVs, max. 40 kg, max. 32-65"

Universal stand table for mounting LED, LCD or plasma TVs and monitors up to 40 kg.

You can mount a TV set with a maximum screw spacing of 400 mm by 600 mm on the handle integrated in the table.

The handle is powder painted and resistant to corrosion and scratches.

Built-in adjustable bottom shelf allows the installation of optional accessories such as DVD players, receivers, tablets, laptops, gaming consoles, etc.

The stand has a practical design with a very wide range of TVs that can be mounted on it.

The table is made of high quality materials. The trolley is equipped with four wheels (with a lock) thanks to which you can easily move the entire set to any place.

The kit comes with screws necessary for proper installation and picture assembly instructions.

Four shock-absorbing wheels (rubberized) allow you to easily support the weight of the equipment, while allowing for efficient maneuvering and trouble-free positioning of the table.

The perfect table for conference rooms, airports, public displays or other professional presentations.
