Product Description

Maclean MC-709 - VESA Monitor/TV Holder, Telescope, 37" - 65", black, 25 kg

The Maclean Mount MC-791 is a ceiling TV mount that allows you to place your TV virtually anywhere without drilling holes in the walls - all you need is a solid floor and stable ceiling.

It can safely hold TVs up to 25 kg. The vertical height adjustment allows you to freely adjust the screen. Made of solid aluminium and steel, it offers a modern look and minimalist style. Ideal for commercial and private installations.

The kit includes two mounting bases:

- Durability - allows quick assembly and disassembly
- Can be screwed on - enables permanent attachment to the floor
- Maximum load: Up to 25 kg
- Adjustable inclination +/- 3 degrees
- Minimum/maximum horizontal distance: 35/615 mm
- Minimum/maximum vertical distance: 50/405 mm
- Robust metal construction
- Very high processing quality
- Designed for 37" - 65" televisions (or larger if their weight does not exceed 25 kg and the VESA standard is compatible with the mount)
- Powder coating, colour: Black
- The set contains both fixing screws and screws for fixing the TV set
- VESA: 75x75, 100x100, 200x200, 200x300, 300x300, 300x400, 400x400, 600x300, 600x400 mm
