Product Description

MC-838 - VESA Screen/TV Mount with Shelf, 17-32", black, 9 kg

The universal wall workstation with monitor and keyboard holder MC-838 allows you to work at your computer without using a desk. The holder is made of the highest quality metal (combination of steel, pressure-molded aluminum and plastic) in black.

The elements of the holder have been perfectly matched providing a stable and secure support for the monitor and keyboard. Changing the position from sitting to standing provides great comfort at work and optimizes ergonomics.

The built-in gas spring allows for smooth height adjustment, and the attached computer holder allows the PC to be mounted on the side of the desk or on the wall.

- Ideal set for workshops, factories, machine stands, warehouses, office or home
- Material: steel, MDF and PVC, aluminum, plastics
- Color: Black
- Maximum load: Up to 9 kg
- The monitor can be tilted from +10° to -10°
- Minimum/maximum horizontal spacing: 75/100 mm
- Minimum/maximum vertical spacing: 75/100 mm
- Gas spring
- Wall mounting
- Organizer under the screen
- PC bracket with safety belt that prevents the computer from falling down
- Designed for 17"- 32" monitors (or larger if their weight does not exceed 9 kg and the VESA standard is compatible with the mount)
- VESA: 75x75, 100x100
