

Item no.: 389637

DINSAF - DIN rail adapter distributor branch, F series

from **16,50 EUR**

Item no.: 389637
shipping weight: 0.20 kg
Manufacturer: Teledes

Product Description

Adapter for mounting F series distributors and feeders on standard DIN rails, made of black plastic. Its attachment allows the device to make contact with the DIN rail, so that a connection to the floor via a special cable is not required. Supplied in a professional plastic box containing 30 pieces.
