Product Description

Maclean MC-631 - VESA Monitor/TV Holder, 32-55", black, 50 kg

During the production process, each model of the brackets is thoroughly tested by the manufacturer. This is the only way to ensure that your TV or monitor hangs securely on the wall. There are many aspects to choosing a TV that need to be considered! If you choose a bracket, apply the same principle, choose a solid, probably the best bracket on the market!

Includes a set of screws to fix the ceiling and the TV.

The VESA standard screen can be easily attached to the bracket: 200x200, 300x300, 200x400, 300x400, 400x400.

- Maximum load: Up to 50 kg
- Adjustable angle of inclination of 90° at the ceiling
- Adjustable tilt angle of -15° at the holder
- Minimum/maximum horizontal distance: 200/400 mm
- Minimum/maximum vertical distance: 200/400 mm
- Distance from ceiling: Min. 1050 mm, max. 1560 mm
- Robust metal construction, very easy to assemble
- High processing quality
- Powder coating (black)
- Designed for 32" - 55" televisions (or larger if their weight does not exceed 50 kg and the VESA standard is compatible with the mount)
