

Item no.: 389808

M6-AKKU - MOSAIQ6 - Replacement battery

from **417,93 EUR**

Item no.: 389808
shipping weight: 0.20 kg
Manufacturer: Teledes

Product Description

The battery can also be charged separately using a charger without having to be connected to the measuring device. This allows you to continue working while the backup battery is being charged.
