

Item no.: 391881

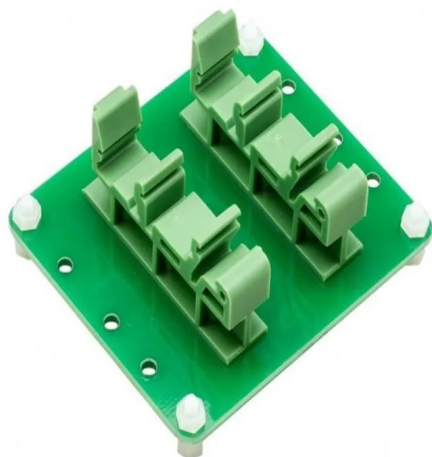

EB6684 - DIN rail kit for HAT Raspberry Pi

from **10,36 EUR**

Item no.: 391881

shipping weight: 0.10 kg

Manufacturer: Raspberry Pi Foundation

Product Description

The DIN rail kits suitable for the Raspberry Pi models B+/2/3B/B+ & the Zero/W boards. The DIN rail kit for the top-hat rail enables the Raspberry Pi to be mounted in housings or brackets with an integrated DIN rail. The bracket enables the use of extensions on the GPIO interface, such as a UPS, a small ePaper/LCD display, relays or others. The open design favours the ventilation and cooling of the Raspberry Pi board and the optional GPIO components. Technical data of the DIN Rail Kit: - DIN rail brackets - 2 pieces each- Raspberry Pi adapter - 1 piece each- Screws for connecting the board to the bracket - 4 pieces each- 5mm spacers for PCB and rail bracket - 4 pieces each- 2.5 mm nuts for attaching spacers to the board- 2.5 mm screws for attaching Raspberry Pi to the board
