MSR1927-66 - MSR1927-66 - Mounting cabinet 19", 27U, 600 x 600mm

from **623,05 EUR**

Item no.: 389721
shipping weight: 64.00 kg
Manufacturer: Televes

Product Description

The 27U rack cabinet is designed to house active and passive equipment that is visible from the outside and protected by a secure lockable steel structure. The cabinet is compatible with fibre optic, data cable or coaxial cable installations, allowing different technologies to be grouped in a single cabinet. The cabinet is equipped with depth-adjustable side profiles that allow the installation of different types of panels or equipment. It has a reversible and removable front door and rear door, with flexible fixing that facilitates working in the rack. The tempered glass front door makes it possible to see the status of the equipment without opening the rack. The cabinet also has removable side doors with press studs that allow access to the inside of the rack via the sides - an advantage when configuring rear connections. Designed for floor mounting. Supplied with 4 screw-on feet, allowing height adjustment from 45 to 80 mm and simplifying adjustment on sloping or uneven surfaces. - Dimensions (W x H x D): 600mm x 1342mm x 600mm- Weight: 64kg- High load capacity and durability: made of steel with a coating based on polyester resins and lead-free pigments- Security: tempered glass, lockable front door with hinges- Laser labelling: numerical identification of each unit "HE"- Horizontal cable guides: 1 U cable panels at the top and bottom of the enclosure to guide cabling from one side to the other and facilitate connections- A 120x120mm ventilation kit can be integrated for the installation of active equipment such as headends
