

Item no.: 389875

OSK40SCAPC - Opt. cable 40m LSFH Dca SCAPC

from **31,21 EUR**

Item no.: 389875
shipping weight: 0.30 kg
Manufacturer: Teledesic

Product Description

Pre-assembled optical patch cables for connecting network elements via single-mode fibre optic cables. Thanks to the SC/APC connectors, the cables can also be used with optical modules of the TOX headends. The sheath is LSFH and is recommended for indoor installation. The cable is fitted with a short sleeve at one end, which facilitates installation in flush-mounted junction boxes and prevents attenuation increases due to unwanted bending. In addition, the short sleeve makes it easier to insert the patch cable into the empty conduits, reduces the space required for the connection and the bending radius is smaller. Supplied in individual packaging. Item no. OSK40SCAPC Length: 40 m Highlights - Low attenuation and high reliability - Short sleeve at one end: enables a smaller bending radius and optimum adaptation in the connection area - Dca-s2,d2,a1 Euroclass - Fibre type: ITU-T G.657.A2-LSFH sheath, orange colour - SC/APC connections - Available in different lengths
