

Item no.: 389913

OSCPC2OM3-P - Pigtail patch cable MM OM3 2m LSFH indoor SCPC (900m)

from **15,15 EUR**

Item no.: 389913
shipping weight: 0.10 kg
Manufacturer: Televes

Product Description

Multi-mode (MM) fibre optic pigtail patch cable. One end is pre-assembled with an SC/PC connector, the other end is without a connector. This allows the pigtail to be easily connected to a fibre optic cable. The 900µm sleeve is of the LSFH type and is recommended for indoor use. The cable is fitted with a short sleeve at one end, which facilitates installation in flush-mounted junction boxes and prevents attenuation increases due to unwanted bending. In addition, the short sleeve makes it easier to insert the patch cable into the empty conduits, reduces the space required for the connection and the bending radius is smaller. Highlights- Fibre type: Multimode OM3 ITU-T G.651.1- LSFH sheath, water blue- SC/PC connectors- 2m long Technical specifications- Fibre types Multimode: (ITU-T-G.651.1)- #: OM3- Fibre core diameter: 50µm- Fibre cladding diameter: 125µm- Fibre cladding diameter: 250µm- Outer cladding diameter: 0.9mm- Outer cladding material: LSFH- Gel for protection: No- Insertion loss connector: 1 dB < 0.3- Return loss connector: 1 dB > 30- Optical connector 1 type: SC- Section type (Optical connector 1): PC- Minimum propagation velocity: 4.5mm- Operating temperature: -20 °C ... 70°C Physical data- Net weight: 5g- Gross weight: 8g
