

Item no.: 389539

OMS1310 - FiberKom optical transmitter 3 dB 1310nm 54-2150 MHz

from **246,49 EUR**

Item no.: 389539
shipping weight: 0.50 kg
Manufacturer: Teledes

Product Description

Optical transmitter with HF input (47 MHz- 2400 MHz), which generates an optical output signal in 1310 nm wavelength. An optimum output level is obtained even with low input levels. The optical output power is 3 dBm. Highlights- SMATV-compatible: up to 2400 MHz input bandwidth- Simple installation ("Plug & Play")- FiberKom series cast housing: robust and very good shielding properties. The products are suitable for wall mounting Features- OMI test output- Optical level indication via green LED- Optical SC/APC connectors and F connectors for RF- Remote power supply either via the output F connector or a specific F connector for the power supply (external power supply) Physical data- Net weight: 412g- Gross weight: 412g- Width: 187mm- Height: 89mm- Depth: 34mm- Main product weight: 412g
